PETITION TO WITHDRAW APPLICATION FROM ISSUE

Commissioner of Patents & Trademarks  
Washington, D.C. 20231

Date: February 7, 1995  
Docket No.: 86-1198-06

64/505 Sir:

Applicant respectfully petitions to have U.S. Serial No. 08/162,420 withdrawn from Issue pursuant to 37 C.F.R. §1.313(b)(5). The Assignee of the present invention recently (after June 10, 1994, the date of allowance) has learned of prior art patent, U.S. Patent No. 4,332,297, during the course of related litigation on a commonly assigned patent. The Assignee of the present application desires the Examiner to review U.S. Patent No. 4,332,297 (a copy of which is attached as Exhibit A) when passing on the allowability of this application. On September 9, 1994, the Assignee filed with the Office an advertisement that appeared in the November 3, 1986 (Vol. 25, No.21) issue of *Pool & Spa News*. A copy of this advertisement is attached as Exhibit B. Assignee also requests the Office to consider this advertisement. The Assignee understands that the application currently is in the Draft Branch, and no issue date has been assigned. The fee for this Petition may be charged to Deposit Account No. 15-0697 of David Ostfeld, P.C.

The Assignee owns U.S. Patent No. 5,361,215, which has a common parent with this application. On November 14, 1994, Assignee filed suit in the Southern District of Texas on U.S. Patent No. 5,361,215. The defendant in that case has argued in subsequent pleadings that the '215 patent is invalid based upon U.S. Patent No. 4,322,297.

The Assignee request that the Office consider U.S. Patent No. 4,322,297 and the *Pool & Spa News* advertisement. Consequently, the Assignee requests the Office to withdraw
